DANA DEARMOND

PEARLS BEFORE SWINE?

Dear *XXXTREME*: Cassandra Calogera is totally hot! Whoever that dude is with the big gut who gets to stick it to her in those pics is the luckiest bastard alive. I would do anything just to have one night with a totally hot babe like that. Or one afternoon or one hour or whatever. If she's willing to do it with a totally normal dude like that fat bastard then she just might give me the time of day. I am a fat bastard myself but I have a decent sized cock on me. She's obviously not crazy superficial like most hot babes are. I bet she just

might be willing to give me a chance once she got a peek at my junk. Like I said before, I really do have a decent amount of junk to work with. I could put a smile on that hot face of hers for sure, right before I cover her up in cum.—Douglas in Redondo

PLUMBING NEW DEPTHS

To My Newest And Most Favorite Magazine, *FOX XXXTREME*: Yes, it is indeed true: *FOX XXXTREME* is hereby my official favorite jack-off rag in the entire world of filth and fornication. It plumbs new depraved depths as of yet unexplored and sheds

25268

24893

light upon deviousness and debauchery that is well deserving of our undivided attention. I myself have turned my full attention upon the first few issues of this new and esteemed title and have found each one to be even more rewarding and enjoyable than the last. My cock is rubbed completely raw, in other words. Keep on doing exactly what you are doing!!!—Max via email

EAT 'EM UP!

Dear *XXXTREME*: That Dana Dearmond is one nasty bitch and I mean that in the nicest way possible. She seems like the type of girl who's always

ready, willing and able to go that extra mile in the sack. Or, hell, on that filthy kitchen floor. Her pussy hole in those pics is so pink and inviting and her asshole definitely looks good enough to eat. What I'm really trying to say here is that she is definitely my type of girl and I would love to feel her up from the inside out.—Mitch in CT

A HOT, DIRTY BREEZE

Dear *FOX XXXTREME*: I'm extremely fond of that hot Latin beauty Alexis Breez featured in that on the set piece. It's interesting to me that she claims to be trying

to get famous by being involved in pornography instead of just trying to get rich and get out. I guess a lot of the young women who are attracted to the porn industry are looking for some sort of recognition and stardom. At any rate, I think Alexis really has something special going for her. She is fantastically beautiful and, according Mark Wood, she fucks like a minx. Well done, Alexis. You certainly caught my attention. —Carl in TX

OVERSTUFFED!

Dear XXXTREME: Wow, that story in your last issue called *Overstuffed* blew my mind

a little. I was both attracted to and grossed out by the size of the dongs those bitches were cramming up their cunts like that. I mean, is that truly what bitches want, colossal-sized cock? If that's the case than I had better find out where to order some of those crazy-shaped toys because I'm not packing anything more than average-size. Why lie? I guess those things are available online. It's hard to order stuff like that when you live at home like I do. Sometimes my mom gets the mail. I hope they mail that shit out in a black box or something.—Ronald in NJ

SOMEBODY'S GOTTA DO IT...

Dear Sir: I've never much been one for MILFs, but that Bethany Sweet sounds so fucking cool. She's still smokin' hot even though she's forty. And she has a totally awesome world view that involves licking her girlfriend's cum off a dude's balls. Outasight! She's welcome to lick cum off my balls whenever she wants, her own or someone else's. I totally don't care! Where can I find an older woman who is exactly like her? Porn magazine editors must have access to all the raddest chicks. I wish I could get

myself a job working at a fuck magazine too and then maybe I could meet all kinds of horny sluts that would want to sleep with me. Also, are you guys hiring?—Ben in GA

SNORT THAT CUM

IMMORAL PRODUCTIONS snortthatcum.com

DIRECTOR: PORNO DAN

SLUTS AND PUPPETS:

KIRRA LYNNE, PORNO DAN

25519

Porno Dan is never more than a trou-drop away from getting sucked off or banging out any girl present. He knows it's just a numbers game, he always tries, and his percentage remains in the plus column. His guard is never down. His unit is forever at the ready. Porno Dan is THAT GUY.

PORNO DAN: "This movie and its website are going to revolutionize the way cum is viewed. This was divine inspiration. I was chasing my little leprechaun friend through the forest and he said he would give me a pot o' gold but I could only have it on one condition. I asked him what it was and he said that he must see at least one girl a week snort cum. I asked him why he wanted to see this and he replied, 'Do you want the gold or do you want to argue with the gold?' I couldn't argue with the gold. The little leprechaun guy wants it so he's getting what he asks for. So far it's been mostly me for the initial one but now I have gone out and recruited other men to donate their cum these women can snort."

DAN: "A blow job a day keeps me happy. I've shot eleven girls so far and a lot of them are the girls that I fuck off camera anyway, so that's why I try to talk them into it, but now that I've turned it into a whole website I've actually gone out and have begun hiring normal girls and guys to do it. A lot of the girls think I'm kidding. I've learned a secret now. I don't tell them anything about what they're going to do until I'm right about to pop. The agents know. One girl said no after her agent said it was fine. She was banished to the netherworld."

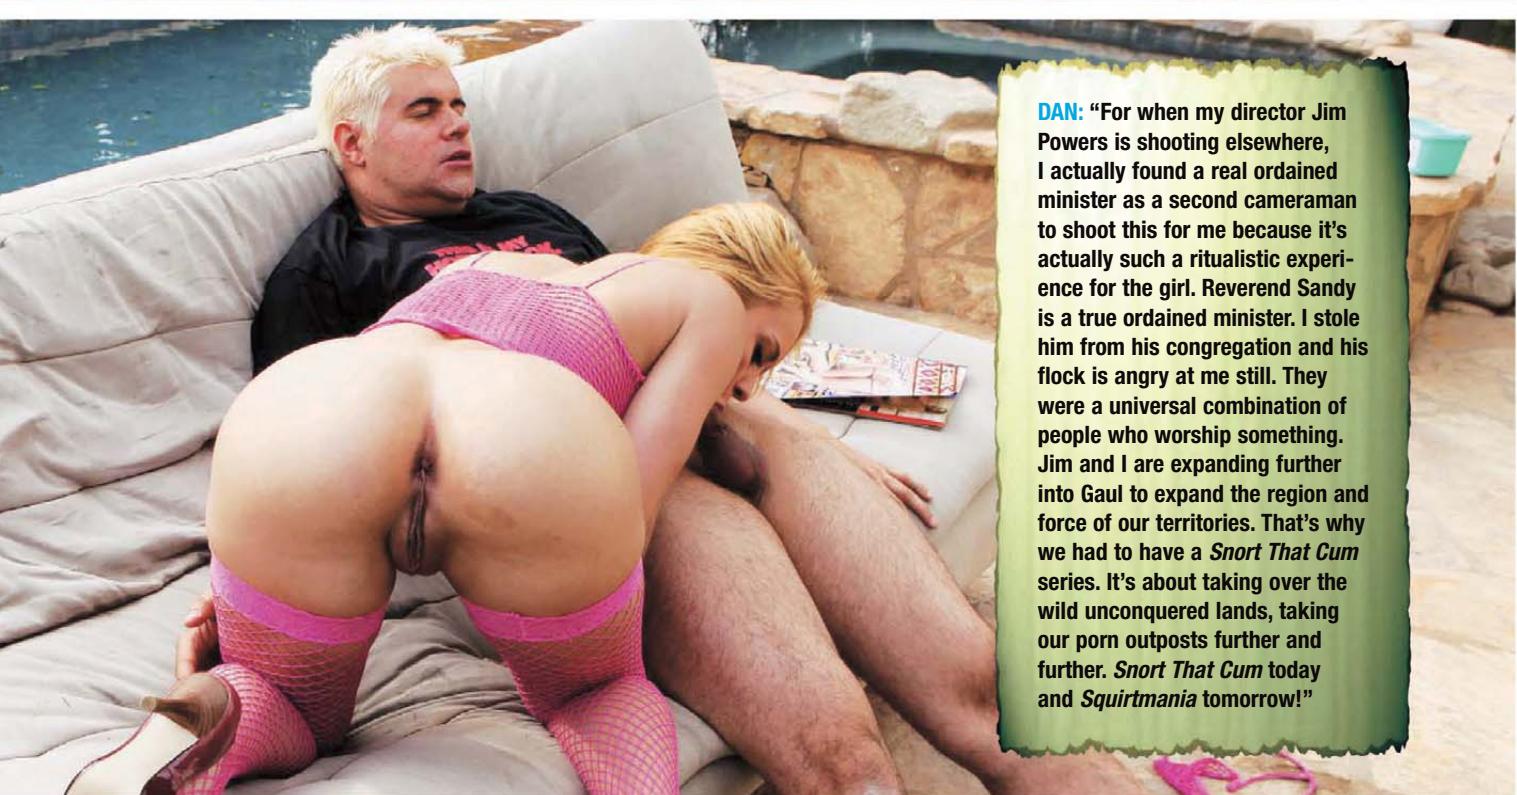

KIRRA LYNNE: "That was the first time I snorted cum. That's the first time I ever even heard of it. He just told me that he was going to cum and I was going to snort it. I was like, You mean snort it up my nose? At first I was a little unsure of it. I had never really had cum up my nose. Then I just figured I was just going to do something really cool with it. I snorted it up my nose and then brought it back up through my mouth."

DAN: "A few of them really loved snorting the cum. Like Natasha Nice and Kirra Lynne loved it. They couldn't get enough. They were begging for more. Especially my cum, because it's vitamin and nutrient fortified. It's good for the girls to snort my cum. The surgeon general has actually come out and recommended that girls snort cum at least once a week in order to maintain the proper pH balance in the system. It's good advice to all of these young girls out there. You get the best medical benefits by snorting cum. Kirra Lynne snorted it and it came all of the way up her nose and out of her nose and down her nostril passages into her mouth, and then she played with it. Natasha Nice did one better where she spit it back out on her boob and then licked it off. The gauntlet has been thrown and the girls are trying to one-up each other. It's become a Cum Snorting CHALLENGE! Some girls are better than others and you'll have to decide who is your favorite."

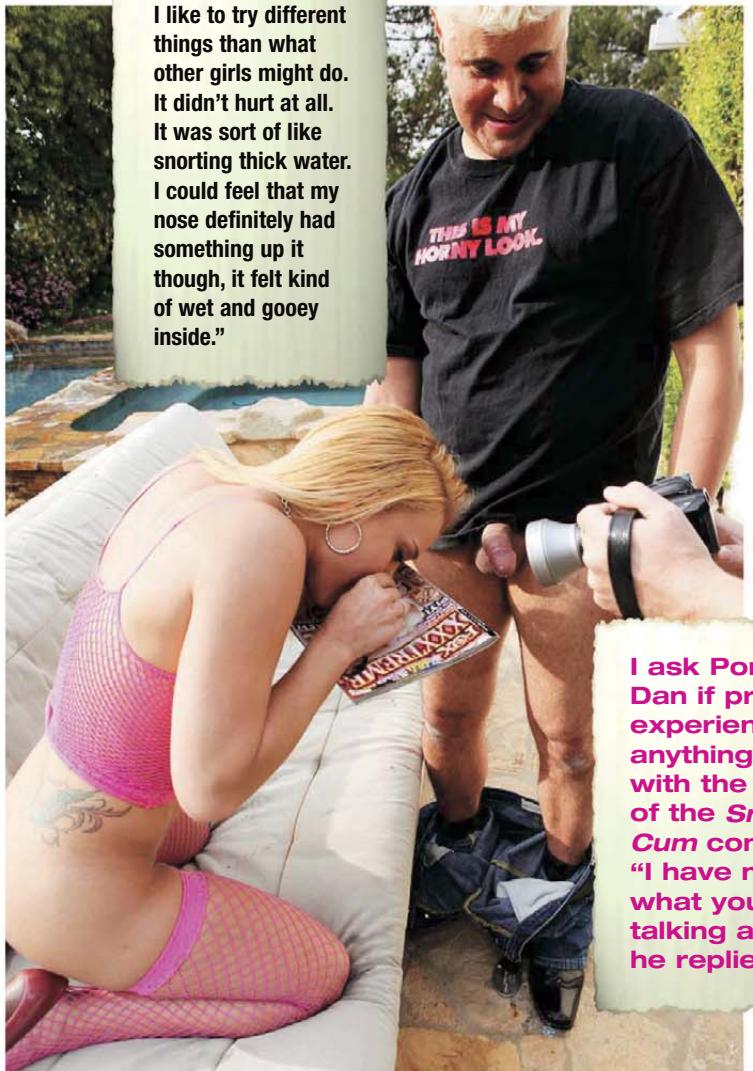

DAN: "For when my director Jim Powers is shooting elsewhere, I actually found a real ordained minister as a second cameraman to shoot this for me because it's actually such a ritualistic experience for the girl. Reverend Sandy is a true ordained minister. I stole him from his congregation and his flock is angry at me still. They were a universal combination of people who worship something. Jim and I are expanding further into Gaul to expand the region and force of our territories. That's why we had to have a *Snort That Cum* series. It's about taking over the wild unconquered lands, taking our porn outposts further and further. *Snort That Cum* today and *Squirtmania* tomorrow!"

Kirra hoovers all of Dan's load off the May issue of *FOX XXXTREME* without flinching and successfully cycles it onto her tongue for the photo op. Immoral Productions continues to take porn further into the realm of freakishly vaudevillian sex acts that have little to do with sex. This is strange theatre. It just happens.

KIRRA: "I just wanted to stand out and be a little different. I like to try different things than what other girls might do. It didn't hurt at all. It was sort of like snorting thick water. I could feel that my nose definitely had something up it though, it felt kind of wet and gooey inside."

I ask Porno Dan if prior drug experiences had anything to do with the genesis of the *Snort That Cum* concept. "I have no idea what you're talking about," he replies.

POPPORN.COM'S GUIDE TO MAKING FUCK

ZERO TOLERANCE/POPPORN.COM

www.ztod.com

DIRECTED BY: MIKE QUASAR

SLUTS AND PUPPETS:

KIMBERLY KANE, JOHN STRONG

25521

MIKE QUASAR: "This is sort of a joint venture between us and popporn.com. They're really creative guys. We thought it would be something interesting to try. I shoot the porn. They've constructed this very funny script about how this is their first movie. They run their blog site so they have a lot of rapport with a lot of the talent and everything. Spock Buckton is sort of the primary character. They're making their first porn movie ever and he's completely inept and an idiot and doesn't know what he's doing. Of course the whole thing falls apart and he's visited by the good witch of porn or something played by Nina Hartley and there's redemption and they end up making the best porn movie ever. It's pretty funny."

QUASAR TO KIMBERLY KANE:
"You are an intense performer. Some of the things you would like John Strong to do to you I'm not legally allowed to shoot."

KIMBERLY KANE: "I do boy/girl anal now too. Anal is so much cooler. When you've been in the business a long time you like to change it up. I have always done anal in my personal life and it's always been awesome and I sprinkled in a few anal scenes over the last few years and they're always awesome. They make me feel like new again. They make me feel like, Oh wow I'm so slutty! It's that feeling that you need to have. I'm good at it too. I always used to say that I wouldn't do anal because I wouldn't trust these porn guys but the porno guys actually sort of know what to do. I'm always watching the movies and seeing the anal scenes and it looks like they're just ramming it in, but they're not. They'll take up to twenty minutes with a girl to get ready. It's cool, I like it. It makes me feel like a new slut."

QUASAR TO JOHN STRONG:
"Make out with her. She'll go down on you and then you'll fuck for like twenty minutes."

QUASAR: "I'm originally from Toronto. I've been doing this for seventeen years. It's a little creepy now. When I started I was the same age as most of the girls and now I'm the same age as most of the girl's fathers. Not a good thing. You can't appreciate an eighteen year old girl when you're a stupid eighteen year old guy, but when you're forty you're chasing anything that has fallopian tubes. New porn titles: *C-Section Sluts! EMO-Cutting Cuties!*"

Quasar keeps it light on the porn set by engaging in a continuous barrage of politically incorrect, improvisational humor centering around the ethnic backgrounds or detectible foibles of the male performers in question. No one gets away clean. He, for the most part, smartly avoids the dangerous territory of over-funning the female porn talent, where things can always go bad quickly. The stuntcocks however, are artfully and mercilessly ridden to the point of absurdity, which makes the Quasar porn set one of the greatest comedy experiences available in hardcore pornography today. In John Strong's case, the yucks stem from his Russian heritage. The hits just keep on coming and many breaks need to be taken to allow the laughter to exhaust itself. Strong is cracking up too, which is saying something; too much humor can be bad for wood. Porn sex is SERIOUS, you know. Mike Quasar is a comedic genius. There is no one else in porn like him.

KK: "If I was a porno guy I would never be able to cum ever. I'm never promiscuous outside of work. It's like I'm a serial monogamist. It's weird. I think it's because I've been around the sex industry forever. It's like I have work and I love my job and I usually nail down a solid BF. I did girl/girl for like six months straight and at the end of that six months if I ever saw pussy again I was going to vomit. Seriously. I'm just as gay as I am straight."

QUASAR: "John went to the restroom to pee through a fully erect Russian penis. GET IN HERE, YOU COMMIE BASTARD! It's sexy time! Hey, Vladimir Put-it-in! Time to engage in some Peres-Stroke-A!"

KK: "I've been in the business for six years. FUCK! I'm not saying that I'm in the black t-shirt society but I like kinky stuff. I'm not really a latex mama but I'm very into pleasure and pain. Senses dulled, that kind of thing. The way that I fuck on film is just the same as I fuck at home. There's no real distinction other than that at home sometimes you just get lazy and it's quicker."

KK: "My pussy doesn't look like everyone else's pussy but I guess that's fine. In a pussy sense I guess I have a big dick. They hire my pussy but I come with it. People like my lips."

Upon the successful completion of each scene segment, Quasar substitutes the word "excrement" for "excellent."

KK: "I am working on a Super-8 film project, YEAH! I have a lot of big stars committed to it and I'm about half way done shooting it. I got a new Super-8 camera that I'm actually going to test tonight and watch the footage and see if it works right. It'll be a 2009 erotic film release by me and my newly formed company with my partner Scarlet Von Cutter who is my editor and DP. We formed a company called Heart Shaped Films. This isn't going to be all porno. She's a music video director so we also have some commercial stuff coming along too. The Super-8 film isn't going to be fully pornographic. It's going to have a lot of nudity. It's going to have a lot of super intense visual stuff. I feel thankful that people are fucking. Keep fucking. The show must go on."

THE ART OF THE CUM FART 2

JULES JORDAN

VIDEO

RUNNING TIME: 345 minutes

DIRECTOR: Erik Everhard

SLUTS: Keri Sable, Lucy Lee, Veronika, Isabel Ice, Sandra Romain, Dora Venter, Cathy, Karina, Nicol, Puma Black, Lara Stevens, Julie Silver, Teagan, Jessica Fiorentino, Tyla Wynn

If you're watching something advertising itself as a cum fart movie, you can pretty much rest assured that you're going to see some of the filthiest, most fucked-up shit that has ever gone down on video. Cum farting is about as extreme as it gets. There aren't too many things legally that are more depraved or off the beaten track than a girl blowing sperm bubbles out of her brown eye. And it isn't just about watching a skanky ho break wind with a butthole full of baby batter; a cum fart movie is going to contain every combination of hard dicks and stretched out holes that you can imagine. I mean, think about it, any girl who is willing to let a guy jam his manhandle up her asshole and pump her anal cavity full of sperm, who is willing to bend over and point her dripping pink sewer pipe at the camera, who is willing to squeeze the last shreds of her dignity out onto the floor in a sticky, gooey blast of gas and gasm; that girl is willing to do every last fucked up thing you ask her to do. Right? Just where is she going to draw the line? After playing the colonic calliope with a crapperful of cum, what could possibly be off limits? The short answer is, not a goddamned thing. Face fucking, DP, ass to mouth—all that twisted shit and much, much more, is just romantic foreplay

building up to the climax of the cum fart.

Everything I've said above applies to your standard, run of the mill cum fart movie, but *The Art of the Cum Fart* is something else entirely. This is a **BEST OF** cum fart movie. More than that, this is a Jules Jordan-produced, Erik Everhard-directed best-of cum fart flick, and that means you've got the most no-holds-barred producer in the business teaming up with the hardest of the hardcore directors to bring you the very best possible footage of cheap trollops playing their trouser tubas with their trunks full of tadpoles. Culled from such classic series as *Cum in My Ass*, *Not in My Mouth*, *Cum Filled Asshole Overload* and *A Spermload A Day Keeps the Doctor Away*, this collection is a must have for any lover of anal, cum shots, or just generally depraved sexual insanity.

The memorable performances here are simply too numerous to catalog. After all, there are fifteen bitches featured on this bulging two-disc set. Lara Stevens' ripping double anal penetration scene stands out, and it isn't every day you see a slut eat five loads with a tablespoon. But the *Outnumbered #4* scene on the first disc is definitely the high point, a sexual smörgåsbord with everything from four way lezbo sex to double anal happening on screen at once, all winding up with a belching anus pouring three steaming loads into a whore's eager mouth. Hardcore doesn't get much better than this, boys.

BIG WET TITS 8

ELEGANT ANGEL

RUNNING TIME: 138 minutes

DIRECTOR: William H.

SLUTS: Priya Rai, Velicity Von, Avy Scott, Audrey Bitoni, Angelina Valentine, Kaginey Linn Karter

Porn never gets more meat-and-potatoes than a big tit movie. And Elegant Angel knows that nothing's better than big tits that are properly and lovingly greased up. Spit, lube, baby oil, WD-40, milk, whatever... If it's wet, it's a bet. That wisdom has carried the *Big Wet Tits* series through eight episodes, and a generation of porn starlets for whom buoyant boobage is not only a gift but a way of life.

If the series has become more clockwork routine than cock-raisingly genius, the nipple-nursers out there may as easily say that it's a formula that should not be watered down with distracting additives. Lensman William H. keeps everything as easy and as simple as pie (and milk). Each scene begins with a bit of striptease, as the girl gyrates against a white backdrop while disco rhythms percolate. Then the action starts. Cover babe Priya Rai, the desi dynamo who we expect to see in the inevitable *Slumdog Millionaire* porn spoof, takes on James Deen in what appears to be a bank vault. Apparently, the vault exists to secure a lone black couch. We're not sure who the furniture belongs to, but Rai and Deen get it awfully slopped up. Between the Bombay beauty's slobbering BJ and the Exxon Valdez-level slickness of her fat fake rack, there's more than enough goo to keep an army of Mexican cleaning ladies busy for a week. Rai's feral cries of pleasure are as effective at coaxing a steaming blast of jizz from Deen's cock as her slippery funbags.

It's a great scene.

Elsewhere, we learn that busty blonde bombshell Kagney Linn Karter is near-violent in her sexual aggression. "Fuck me hard, you motherfucker," is a typical term of endearment. And since she's not a 400-pound slattern from the Bronx but a curvy young bunny from the beaches of SoCal, we can only echo her profane urgency with heartfelt approval. She hops up and down on Deen's ravaged man-pole so hard, it could be evidence of Manslaughter One. But instead of expiring, Deen hits the ejac button and gives Karter the unstoppable sex machine reason to pause for a sperm break.

Angelina Valentine boffs Manuel Ferrara in a bonus scene. Audrey Bitoni does the nasty. And so does Velicity Von, who sports a shorter hair style to match her leaner frame as she takes a licking and a sticking from Mark Ashley, who not only fucks her tits but plunders her butthole. The reason to see the video, though, is none other than Avy Scott. Nervous about doing her first scene in three years, the girl for whom the words "big wet tits" should have been trademarked, shows off her awesome zoobs to an appreciative Mick Blue. The Euro stud is so happy to be banging those milk sacs with the half-dollar aureolae that he even gets romantic. The make-out session does nothing to slow down the fucking, and Scott seems delighted to be huffing down on sausage for lunch. Even if the statuesque blonde hasn't been on a set in awhile, her tits certainly know their way around a pounding prick. Babe, the next case of baby

oil is on us!

PORN'S MOST OUTRAGEOUS OUTTAKES 3

JM PRODUCTIONS

RUNNING TIME: 120 mins. plus

DIRECTOR: Jim Powers

SLUTS: Kylie Ireland, Keeani Lei, Ashley Blue, Tobey Pacific, Armani St. James, Missy Stone, Melissa Juliana, Missy Monroe and many more.

An entire DVD of porn outtakes from a company other than JM Productions could be a sketchy purchase, at least depending on what you are looking for. JM is the company that skips the tastefully decorated top floors of porno and violently casts you into the dark, human wreckage filled dungeon where the screams from hell can be heard loud and clear 24/7. It would follow then that the third volume of outtakes from scary JM would err decidedly on the un-poofy side, and this one does not disappoint.

If you are looking for jerk-off material you have probably come to the wrong place, depending on your thing, of course. There is sex on the DVD for sure, but the accent here is on bringing to light the real life, behind-the-scenes insanities that show you, the porn viewer, the den of mental illness that the JM porn set has been, is, and always will be. This DVD is as much about director Jim Powers' whore whispering talents and his comedic handling of porn set strife, as it is about the outtakes themselves. Powers introduces each scene with an uncensored, un-PC, backstory that leaves nothing to the imagination.

While introducing the first outtake from *Girlvert 13*, Powers starts things off by calling Sammy Cruz a "ghetto hooker." "White trash wigma, ghetto type girls are really just prostitutes," he declares. "They just want to show up on

the set, spread their legs, do nothing and get paid. They'd be much better off just turning a trick." When Melissa Julianna gets freaked out by the oceans of cum she is supposed to drink in *Gokkun 5*, Powers enlists the moral-fiber enhancing words of FDR himself by telling her, "You have nothing to fear but fear itself." In several instances, he in fact refers to the trials of the porn set in military campaign terms. There are so many retarded, dangerous porn scene situations to be conquered and porn battles to win. This is war. ONWARD!

It's the subtext of the out-takes that matters. The scenes themselves are just the tip of the hilariously not-okay JM porno iceberg. Porn girls scream, freak out, have accidents, get sick, are total bitches, are totally cool, have meltdowns, complain about personal problems and end up leaving or resign themselves to making the best of the situation. They are all there on their own accord of course, and know what they are going to be paid ahead of time.

"A lot of people think that porno is so glamorous and your pushing them and trying to get them through it," says Powers at one point. "They signed up for it, so the most I can do is make them complete it."

I get it. The JM porn scene is something the players have to "get through." Makes sense to me after seeing this DVD. On the lighter side, the venerable Dirty Harry, who always takes a long time conjuring up his load, gets his lengthy pop jerk-off set to music. *The Violation of Kylie Ireland* on the other hand, goes volatile quickly and contains some of the least comfortable moments presented here, but no problem. There are so many others to choose from. *P003* is hilarious, scary, bizarre, perverse, terrible and strange, and takes you deeper than you have ever wanted to go into the porn abyss.

THE BROTHER LOAD

JULES JORDAN
VIDEO

RUNNING TIME: 250 minutes

DIRECTOR: Chris Streams

SLUTS: Cecilia Vega, Jenna Haze, Kylene Reese, Andi Anderson, Tori Black, Lisa Ann

It would have been easy to make *The Brother Load* nothing more than a lexicon of racist jokes, but high-minded director Chris Streams tastefully chose to avoid many potentially prejudicial pitfalls, preferring to leave the racially-loaded work to the whores. Weighing in at a hefty four hours and ten minutes of hardcore action, this double disc set is begging for stereotypes as much as its stars beg for boner-juice, but aside from a few dirty-talk lines and an abundance of dark dongs drizzling juice into dirty white dugouts, *The Brother Load* doesn't fuck with much racial profiling. It just fucks with good old-fashioned... well... fucking.

Take Lisa Ann's seminal scene: with a bubble butt that would snap necks on an inner city street, this stacked star is ripe for racial joke-picking. But instead she offers up a scene that may not be the hottest or sweatiest you'll ever see, but which packs a sensuality that's more like a diner sit-in than a full-on Civil Rights march. Of course, her stunt dick is no Rosa Parks, so this isn't a one-man sit-in; five bros have to unload on this ho to be sure they'll be allowed in the back of Lisa's bus from then on.

Next up is Kylene's first interracial anal scene—ever. If her formerly Jim Crow-ed hole being marched on by Dr. Martin Luther Wang doesn't make you proud of our country's strides toward anal equality, I don't know what will. Unfortunately for Kylene, her segregationist attitude has brought around an angry black man to integrate her butthole. He's probably been sent

in to open the way for generations to cum by

pounding down her rectal racial barrier. But the girl's so stretched out by his brave foray into her Civilly-Righted Sphincter that six succeeding brothers have to drop their steaming loads on her face rather than inside the gate. Still, it's one giant leap for brother-kind in her behind.

Then there's Andi Anderson, whose lips are so full of Botox she might as well be as black as the two boners she bangs. But nevertheless, her buttery body is worth watching sandwiched between two chocolaty chumps, then slathered with the man-mayo of an additional eleven men. If you've ever wondered how much sperm one face can take, here's your answer, gents—this ho could take on the Million Man March.

Disc two marches on with a scorcher from the notorious Tori Black, whose undying desire for dark dick almost matches her penchant for punishing poundings. During an Olympic-level showcase of athleticism by Black and her boner, there's chemistry between the stars that deserves a Nobel Peace Prize for race relations. Then Jenna Haze treats us to her second ever interracial anal scene, taking a chocolate bar so deep that I'd bet her insides turn a shade darker, even after five more loads lighten up her face. Rounding out our race across the racial divide, 6 gangsters divide Cecilia Vega, a whore so gung-ho to be gang-banged that her co-stars have to turn their fire hoses on her to quell what could have turned into a race war. Thank god they didn't release the dogs—who knows how that might have ended up.

As it is, The Brother Load ends on a high note, with a racial role-reversal that will leave political junkies agog at its brilliance, and the rest of us with a huge mess to clean up. Either way, it's a big step forward for bro's everywhere and the ho's who want their loads.

SPORT FUCKING 6

JULES JORDAN VIDEO www.julesjordanvideo.com

DIRECTOR: ERIK EVERHARD

SLUTS AND PUPPETS:

ANDY SAN DIMAS,

ERIK EVERHARD

25515

ERIK EVERHARD: "This movie is called *Sport Fucking 6*. Generally speaking, it's a movie that comprises girls who just want a super fun, hard bangout. I'm here to deliver that as best I can, unless you get a girl like Andy, who will probably tire *me* the fuck out. I'll have to concede defeat and Andy will be victorious."

ANDY SAN DIMAS: "I'm German and Native American and I'm from Baltimore, Maryland originally but I live in Minneapolis right now until the end of the summer, then I'm moving here. I've always had slutty jobs from the time that I could. I worked in a porn store when I turned eighteen and when I was nineteen I started stripping. I've been a stripper the longest out of anything that I've done and I still do it. Now I'm trying to be a porn star."

The extreme sexual hotness of Andy San Dimas exerts an over-arching power over all heterosexual males within range. She's relaxed and conversational, with a strong, erotic aura that is very hard to ignore. Everhard's new cameraman and PM, an extremely cool,

cinematically schooled dude from NY named Tazz is still getting used to shooting under these conditions. "It's just incredible man," he says, "It's like this every day."

EVERHARD TO ANDY: "This scene involves Jeff from *FOX* coming here to interview you because they're thinking of doing a story and they're looking for the *FOX* girl of the year. He thinks you might have what it takes but he wants to interview you to see what you have going on. You'll just sit and he's going to ask you some cool questions, you know? Just like the interview he did. He's going to say, 'Well I've never really seen any of your movies. It's kind of tough to make a decision without having seen any of your work, you know? Is there any way that you can demonstrate or show me some of your work?' Then you'll say, 'Well, let me see what I can come up with. Maybe I have something lying around the house.' Then we'll get some shots of you wandering and looking around or whatever and I'm going to be on the toilet naked with the *FOX* magazine. Somehow she'll be more enticing than *FOX*. Then it's ACTION TIME!"

Since Everhard has decided that I'm going to be in the movie too, they shoot Andy greeting me at the door. When she unexpectedly sidles up close, there's an OH FUCK! effect that immediately activates the breeding receptacles in my reptilian brain. Life proceeds normally until Andy San Dimas turns it ON and toward YOU. Tazz shoots me doing an "interview" and she disappears back into the loft to look for examples of her "work."

ANDY: "Honestly, before doing the porn store thing and being a stripper I wanted to be a porn star. Even before I had sex I knew I was going to be a porn star. I wouldn't say that I was exposed to porn before, I would say that I looked for it. I grew up in a very sheltered kind of atmosphere. My family was really religious and LOOK AT ME NOW! I was raised in the pentecostal religion. You know that documentary *Jesus Camp*? I went to a camp exactly like that on the East Coast for like three years in a row and I loved it because I would meet up with the five other bad kids at camp and we would all just hang out, you know? It was like a nice vacation. I got to eat candy and not be at home."

EVERHARD: "Especially because I've been getting into the photography stuff, if you don't have a good model it's not that exciting. Any given Sunday you could have a great chick who pulls up lame but we try to maintain a status quo of super hot-to-trot, über-bangout chicks. Andy and I worked together once. I shot her for *Double Vision*. It was her and Bobbi Starr, which was a pretty good...Let's just say it was a day of reckoning. It was a *very* good day."

When Andy "discovers" Everhard wacking off to *FOX XXXTREME* in the bathroom, he immediately throws down the mag, eats her out for a bit and then starts banging the living daylights out of her in every conceivable standing position. Erik Everhard's stock in trade has always been the extreme power fuck. In the past I have witnessed female talent plead for breaks during

Everhard porn scenes on account of his much larger than average, pyramid-shaped unit and extremely high thrusts-per-minute rate. Porn girls of more delicate sexual fiber receive a swift education upon their first Everhard bangout experience and quite frequently beg for mercy. San Dimas, however, is up to the Everhard Challenge and is perfectly okay with being power fucked several times up against the wall in the hallway on the way to the bed.

FOX SEPTEMBER 2009
XXXTREME
PORN PIG OF THE MONTH
Andy San Dimas

ANDY: "I'm 22. I started doing porn like three years ago but I started with solo stuff. I had a boyfriend who wasn't cool with what I was doing. I did my first boy/girl two years ago and it was the only one that I did for like a year, then I did a few alternative movies here and there, like for Burning Angel and Vivid Alt. Then recently in like the last month and a half I decided that why wasn't I doing porn for everyone, so I've been out here working and shooting a bunch of stuff and hopefully good things will come out of it. I've been here for a month and a half."

The nice, aqua, bare-midriff blouse that Andy has been wearing has remained intact so far but while Everhard is jackhammering the fuck out of her pussy in open to the camera mish, she suddenly screams, "RIP MY FUCKING SHIRT OFF!...I DON'T CARE!!!" Everhard tears the shirt into several pieces until it's finally off entirely. Porn girls usually don't like to sacrifice their decent porn clothes unless things are going extremely well.

ANDY: "My ex-boyfriend really wasn't into it. I remember I came home from L.A. and tried to fuck him and I did something that he thought was too kinky and I had never done before. He stopped having sex with me and he was like, You learned that in your scene, didn't you?! And, honestly, I had. I asked him to slap me in the face. I could tell that he was uncomfortable having sex with me and that made me uncomfortable having sex with him. But my boyfriend that I have now is really awesome and he jerks off to my porn and he likes to see me fuck other guys and suck other guys' cocks. He loves it. I'm really lucky. I looked for a big porno boyfriend."

Everhard is a total sexual performer in the truest sense of the word. Few in the world are in the same class. He never lets up and functions at a very high level, for as long as it takes, and longer. In terms of administering an absolutely relentless Power Fuck-Out to the porn girl in question, he has no peer.

ANDY: "The last time you had the camera in your hand. Now I have the real Erik Everhard."

EVERHARD: "When you're holding a camera you can only do so much. I was doing a POV with her and Bobbi Starr and you really can't go crazy. I never want to hold another camera again in my life. I LOVE BALTIMORE!"

ANDY: "I'm not going to lie because I have really distinct tastes in the men that I fuck in my free time. Most of the time the guys that I do in my real life are kind of skinny and they have kind of long hair and stuff like that, as opposed to most of the guys that I do in porn are super muscular. They're big guys and when it comes down to it in my regular life that's not usually what I do."

EVERHARD: "I wasn't really close to cumming and you got me there in like thirty seconds."

ANDY: "You know why I give good blowjobs? I have huge lips and they're real. I make it so there's a barrier in between my teeth. When I'm done giving a really intense blowjob my whole top lip is chewed up by my teeth. I definitely enjoy all of the sex that I have in porn. I've gotten to try a lot of new things that I like that I wouldn't necessarily have learned from a regular person. I like a lot of teasing because it gets me really wet but at the same time I like getting fucked really hard. I like doggie style and those things. I like my ass smacked when I'm having sex but now I can't have it slapped too hard because I'm scared of getting bruises. I bruise easily and I was sent home from a shoot before because I had bruises on my tits. I can understand. It didn't look good."

EVERHARD: "You know what's funny? Right under my tongue, I tear my tongue from licking pussy, because I'll lick so fast that my tongue is going over the top of my bottom teeth and by the end of it it's fucking torn up. When you really want to get someone off...It's work really."

ANDY: "I'm totally submissive. A lot of girls hate it but I don't really mind piledriver. It feels good. I'm just thinking about the dick at that point and then afterwards I feel all of the little pains and it's like, What did I do? Why does my neck hurt and why are my legs all bruised? Male talent is really strong. They'll throw you around. As far as width I prefer guys that aren't the thickest but it doesn't really matter. Especially when you're doing a scene. They're all performers. Good sex is good sex regardless of how big your dick is."

ANDY: "Sometimes I wake up and I'm like, I was scary last night! You know that fighter Kimbo Slice? He was there and I vaguely remember he was like opening the doors for us. I walked up next to him and I was wasted and I had been getting sexy with everyone all night. I walked past him and I grabbed his junk and like right afterwards I'm like, WHY THE FUCK WOULD YOU DO THAT? I thought about getting fake tits but I'm not going to. First of all, everyone's telling me not to and, second of all, there are a lot of girls in porn who look JUST LIKE ME right now and I've looked this way for a while. I'm not saying that anyone's copying me because all of these girls have been working a lot longer than me, but you know what I mean. I'm seeing a lot of girls with black hair, tanned skin and tattoos on their arms and they all have fake tits so I'm going to be the one who doesn't have fake tits. More people seem to hate them than love them."

ANDY: "I thought it was going to hurt a little more but it didn't at all. He's really thick at the base. Before I got here today I thought, man, I'm in for it. I did two really fat cocks last week and I got torn. I was like, dude, I'm going to get there and he's going to tear me right back open, but you didn't."

EVERHARD: "I was all about you having a good time!"

ANDY: "And that's why it all works out. I was ready for you."

EVERHARD: "See!"

DIGGIN' UP THE HOTTIEST!

HALEY PAIGE

Pornland still mourns the tragic loss of 25-year-old Haley Paige, who died under mysterious circumstances in the summer of 2007. An all-natural Cali beauty, Haley stumbled into the sex biz by answering an ad for nude modeling at the tender age of nineteen. In the seven years she spent sponge soaked on screen, she performed in over 300 scenes that wack fanatics will be able to enjoy for years to cum. Haley's many movies appeal to all different levels of smuthounds, showcasing her ability to withstand everything from super hardcore hijinks to more tender, lightweight lovemaking. She had all the distinguishing features of a really great goo girl—a fantastic figure, a gorgeous face, receptiveness to reveling in a wide range of raunch and the ability to sustain a sound slamming with a smile. That she went toes up way too early is a sadness suffered by friends and fans alike.

SID KNOX: "Ann Marie and John Strong today. This one is a cheating housewife movie. It's your basic 'housewife at home' thing. It's not something that I stay up all night writing but there's a little bit of dialogue too. *We're going out on a limb—it's totally different than any other porn ever shot!* I'm not even sure what today's set-up is going to be. I'm just going to try and make it sort of a group effort to come up with the idea. You got any ideas?"

DIABOLIC www.diabolic.com

DIRECTOR: SID KNOX

SLUTS AND PUPPETS:

ANN MARIE RIOS, JOHN STRONG 25516

Article & Photos by Jeff Hudis

KNOX: "Greg Allan at Diabolic has the final say on the titles. We had an Asian movie recently where every single person on staff sent in their title ideas. There were some horrible ones but there were also some really good ones. There was one that was really good like for an Asian MILF movie. We were going to call it *Old Yeller* but we ended up with *FornicAsian*."

ANN MARIE RIOS: "I'm Costa Rican but I was born and raised here in Los Angeles. I'm high on life and sex. I've worked on this couch a few times before. I got on it and I noticed how dirty it was and I was like, OH MY GOD!"

KNOX: "We'll do the whole set-up and everything and we'll do the soft. She's going to go, 'I don't know what it is. The flue won't open.' Then you'll look underneath and check it out and say that it's broken. She'll bend over with her titties all hanging out and be like, 'Oh, is that what it is?' then she'll walk out and you get up in there and do your thing and I'll dissolve."

To look like a chimney repair guy, John Strong is to be outfitted in a white jump suit. There are a few to choose from and the first one is way too large. The second one is too small and as Strong struggles to close the zipper, he says to Knox, "What is the name of this movie, *Men In Tights*?"

KNOX: "I'll move over to the other side and she'll be moving around and I'll have her do the leg cross from *Basic Instinct*. She'll be completely teasing you the entire time and then she'll give you one of those 'C'mere' things, then you guys will do the softcore on this thing. It's romantic."

ANN MARIE: "I originally got in the industry in mid-2001 and shortly thereafter I started working for Metro Studios under contract up until like 2005. Then I took almost a three year break. Before porn I worked in real estate. I was a licensed realtor. At nineteen you can't be doing that on your own and I had a mentor.

"I was wild when I was young. My girlfriends were always very slut-tastic. Then when I was working in real estate I was in a suit every day and hanging out with boring ass people. I just needed that craziness back. I had a girlfriend who was going to do it and I was with her there at the shoot.

"I ended up being the one who stayed and she decided it wasn't for her. She's wanted to try and come back but she has kids now and she's worried about her kids.

"We went into Jim South's office and she was going to do a movie like right at that moment and they were like, Oh, do YOU want to be in it? I was so naïve. I didn't really know what kind of movie it really was. She was like, I think we're just going to dance around and kiss each other. And I was like, Okay! Then all of a sudden, TT Boy whips his cock out. The rest is history. I was so shy when I first got into the industry I didn't even give blowjobs. I just fucked TT Boy, I didn't blow him. My girlfriend did. For about a year I was in the industry and didn't give blowjobs. I enjoy fucking on camera. Knowing that other people are watching gets me off."

Ann Marie Rios is a very sexy girl. She starts the scene with her shoes on but whips them off after spoon when they become a hazard. She bangs the living shit out of Strong and at no time is distracted by the fact she is doing a porn scene. When it's time for stills, Knox, in recognition of the deep-in-fuck session he has just completed, needs to make a joke: "Jeeze man. Let's do that again one more time, FOR REAL!"

KNOX: "That is SUPERFINE!"

ANN MARIE:
"I was very sexually un-advanced. You can't be that wild if you won't even suck a dick. I was just nineteen. I had never seen a dildo in real life or seen a movie or dirty magazine. The first movie I ever watched was the first one I did. I saw my girlfriend's dad's *Playboy* once. I probably fucked less than ten guys before I got in the business but I spent my first few years under contract with Metro. I actually work a lot more scenes now than I did back then."

ANN MARIE:
"I love the traditional missionary because you can see each other and he's able to fuck me and I'm playing with my pussy. It just hits my spot. I know that I'll get off from that position more than, like doggie, which I used to like better years ago. It also depends on the guys cock, how curved it is and how good he is. It's like a jigsaw puzzle how all of the pieces fit together."

ANN MARIE: "It's been a little slower than last year but I'm still working a few days a week. I've talked to some girls who work once a month so I consider myself very lucky considering I don't do a ton of things. I don't take five dicks, I don't do anal. The people who've known me for years have been very good to me and just keep hiring me over and over again. That's a lot of it. A lot of the new girls aren't here because it's fun. They just don't want to work at K-Mart anymore."

"I get a good amount of sex on set and it's fun and it really turns me on that people are watching. Other than that, recently I've become a lot more frisky. There was a time when I was just having sex on-set. I had some girlfriends in from out of town just this past week and the three of us had this great lesbian orgy. We were all drunk and knocking things over. That was fun. I like girls too. I mean I wouldn't be a lesbian for life or anything, but I love girls."

ANN MARIE: "There are a lot of things I haven't done yet, like a DP. I've never even done anal so I feel like even though I've been around such a long time there's still a lot to do. I mean, I've played around but not like full on ass-pounding sex, you know? It's something I'm working up to doing in the next few months. I recently just shot with Manuel Ferrara for my site and that was insane. I have to get my ass tissue loose so I can have him do my first anal. If you're going to go, you have to go all the way. I don't want the four-inch dick. What's the point?"

During a pause just before the pop, Sid Knox asks Ann Marie if she swallows. She doesn't, so he asks if it's okay if Strong blows load on her rack. Affirmative.

KNOX: "I wonder if the San Fernando Valley sells more baby wipes to porn or actual babies?"

MAKE-UP ARTIST GLENN: "There is a drugstore on Ventura Boulevard that sells more enemas and douches than any place in the United States."

BLACK GIRL ADDICTION 2

BONE DIGITAL www.bonedigital.com

DIRECTOR: MICHAEL STEFANO

SLUTS AND PUPPETS: CHERRIE

PRINCESS, MICHAEL STEFANO 25518

MICHAEL

STEFANO: "This is the second installment of *Black Girl Addiction*. You know me, I like my black girls. This is the last scene and this is why I do it—because I have an actual black girl addiction. Honestly, it doesn't really sell. It's the worst selling thing that I do. I do it only because I'm addicted to black girls. That's the bottom line. I own the movie so if I lose, I LOSE. Shane's World distributes the DVDs. I do it every once in a while just because I love black pussy."

Stefano has a bandage on his elbow that he has decided to use as a "plot" point. He's damaged his arm from TOO MUCH JERKING OFF. It's Cherrie Princess' FIRST PORN SCENE EVER!

CHERRIE PRINCESS: "I'm originally from Compton, California, but I grew up in Riverside County."

**STEFANO TO
CHERRIE:** "You're
going to go,
'KNOCK KNOCK,
I'm Nurse Jenkins
and I'm here to
tend to your arm.'
I'll say, 'Wow,
thank you for
coming. Come on
in.' Then we'll cut
and we'll be in
the bedroom."

CHERRIE: "I've never done porn before. Today is my first day. Swear to god. ...To receive? Oral is my favorite. I like to get fucked while I'm laying on my stomach. Doggie's okay but the best for me is laying on my stomach or me on top."

Cherrie Princess looks especially striking in the white and red colors of her nursing uniform. She is also very vaginally talented, with an extremely eye-catching and versatile looking pussy. Stefano's name today is **LUCKY MOTHERFUCKER!**

STEFANO: "You take a look at the arm and you say, 'You know, you might have pulled a tendon and maybe sprained it and if you do it too much you might have to get an operation. You really have to lay off the masturbating!' I'll say, 'I'm sorry but I masturbate A LOT, like three or four times a day. I have to do it every day.'" You say, 'You know what? I can relieve your stress today if you like,' and then you just take my dick out and say, 'You know what? I can do it for you,' and then we'll go into it. Something stupid!"

CHERRIE: "It wasn't as bad as I thought it would be. I just thought that things were going to be a lot busier for some reason. It was a real quick process. It was good. I got in for the money, and I like sex. Before I was a medical assistant. No plans just yet. I just want to make my money."

Michael Stefano has won all of the awards and has done everything there is to do in porno. Now he can do what he wants. Stefano's porno golden years are all about having sex on camera with the women of his choice, especially hot black women. He's not doing it for the money or the glory. He's doing it for THE LOVE! Cherrie Princess' body is 100% Off Da Hook. This is nice work if you can get it.

FUCK MACHINES 5

JV PRODUCTIONS www.jerkoffzone.com

DIRECTOR: JIM POWERS

SLUT: AMI EMERSON

25517

JIM POWERS: "Basically, *Fuck Machines* is machines doing the girls. I like it because it's actually very relaxing. I was commenting on this earlier today, it's like watching the ocean or something. It's the waves going in and out. I would love having something like this set up in my own house—a fuck machine and a girl just going for hours, getting fucked with lube being pumped into it. It would be in the background, like a fish tank or something. It's extremely relaxing. Also, the best thing in the world is not having to deal with the guys."

AMI EMERSON: "I'm going to buy me one of these. I don't need nothin' with this battery-operated boyfriend here. I got it all. You don't have to feed them and they're not as annoying. You just get your machine and crank it up. You can go for days."

POWERS: "[JM's] Tony Malice told me this morning that he was watching Trina Michaels in *Fuck Machines 2* and found it totally mesmerizing and he really started liking it. He started understanding why people really love the fuck machines. It's whatever the machines want to do, baby!"

POWERS TO AMI: "You're going to come by the camera slow, and you're desperate. You line them up and you rush out and get an extension cord and, like, you're plugging all of this stuff in. You're working yourself up. A tweaker would probably be doing something like this, you're just **HORNY AS HELL!**"

POWERS: "They're very simple once you plug them in. You can control it. They're so smooth, they really slide in nice. They're like butter. Basically you're just fucking yourself. Do positions where you can get to your pussy or get to your ass or whatever. Basically missionary always works good. The world is your oyster! You can lay on the ground or you can put yourself in piledriver if you want. Just get creative. You look like the type of girl that might even own one of these and would use it. You're like kind of an extreme sports type of girl."

AMI: "Those bruises are from me eating shit on my skateboard. I've been shredding all week. I shredded a pool on Monday and went snowboarding on Friday and yesterday I went skating again and I got nailed by someone else's board. I pulled my trick, that's how their board hit me."

Powers lets Emerson play with the speed control until she reaches her favorite thrust interval. Eventually she turns the control over to Powers' assistant, who handles the speed variance during the scene proper. Concentration on anything other than getting reamed becomes a difficulty.

POWERS: "They've all got bolts falling off. They fail all the time. It's just a gag thing. It's just mesmerizing watching it go in and out, in and out."

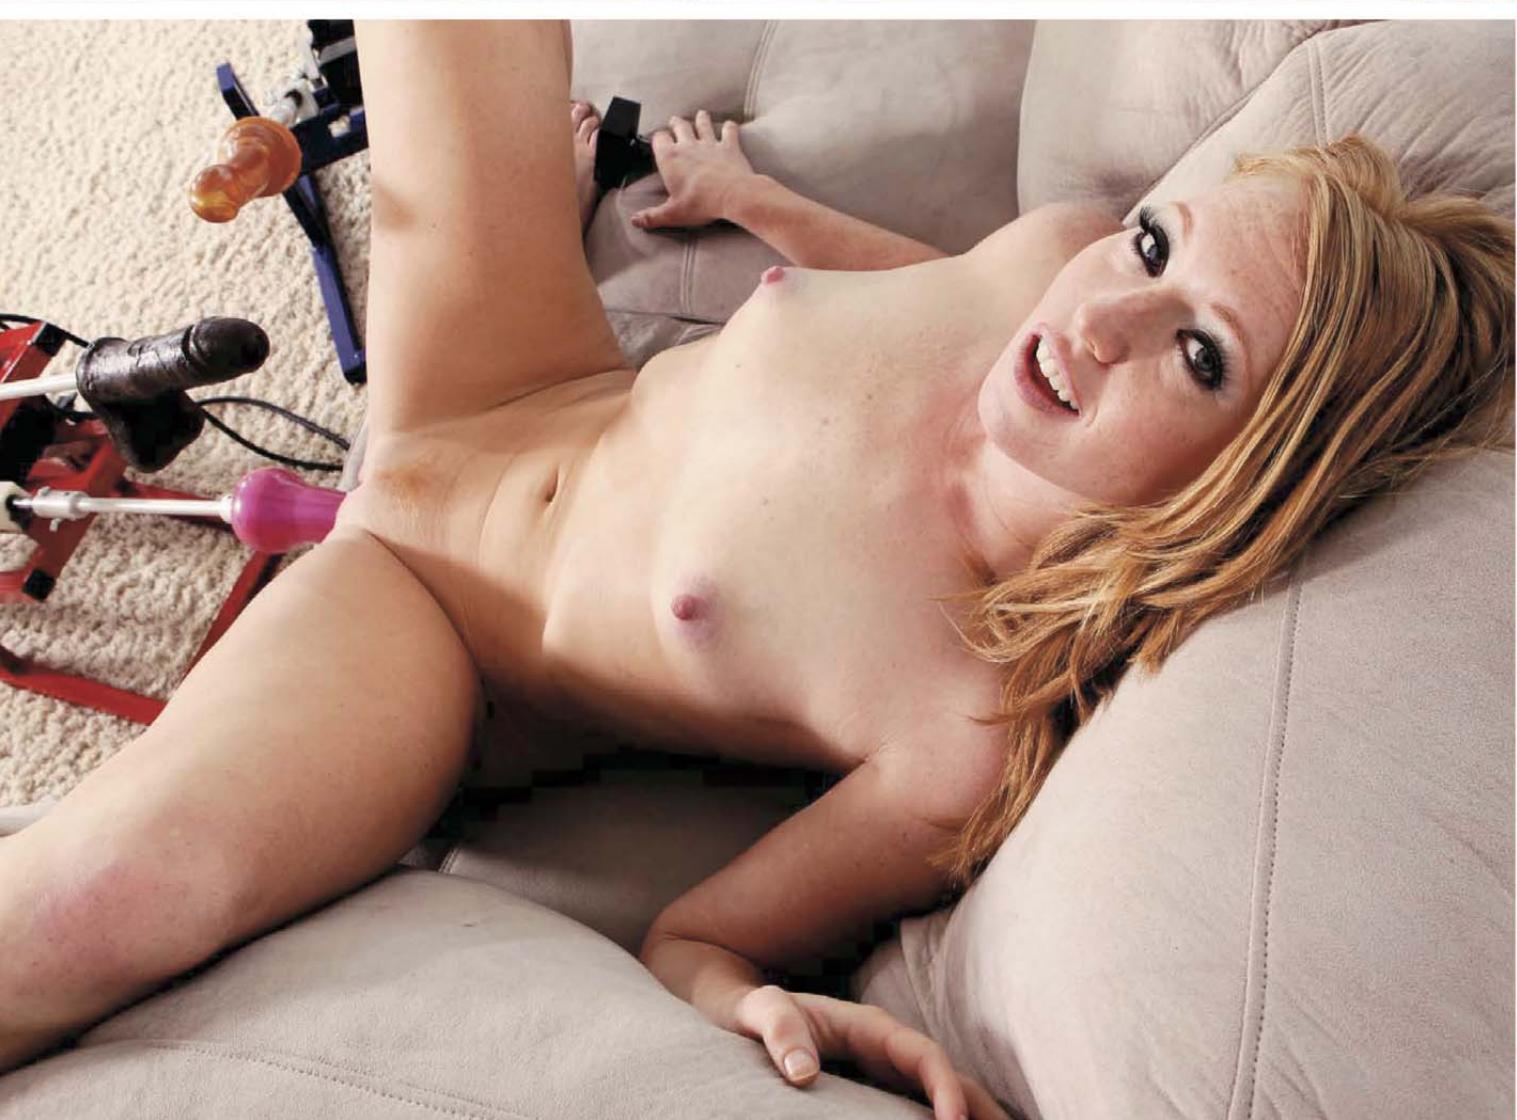

AMI: "It's definitely not the same as a human though. You definitely can't compare the two. You get the penetration and the real hard ramming was fun for me. The slow in and out just sort of makes you sore. I wouldn't say that normal sex is getting more boring the longer I stay in porn. I would say though that I'm more picky and I really want sex with

feelings. That's becoming more important to me. I entered porn at a time that I was like fucking everybody and it was great. I got sex, whatever I want, however I want. Now I want something with feelings. The sexual freakiness sort of stays at work. I go to work and get this freaky kink on and I go home and be normal. It's like my job."

POWERS: "Most lines we do for JM don't even have male talent anymore. *Liquid Gold*, *Fuck Machines*, *Overstuffed* and *Lesbian Bukkake*. A few years ago it was the "year of the male talent." Red Light had those horrible male talent lines. They would pull out their dick and stick it in the girl's mouth and that kind of stuff. So we're starting where we can. We got rid of the male talent. They're the most annoying creatures ever placed on this planet. Female talent? You have to be that way. Just like strippers. You ever sit down and talk to male strippers? Need I say more? 2005 was the PEAK OF SHIT! Now we're just living this pile of shit that we've created. It's a fact. It's also completely destroyed the marketplace. Porn is destroying itself. I think the future is in live sex shows that you cannot emulate. That's why those cams are so popular. What we need is a live-sex place that people can go into. How are you going to pirate that? It's a mess."

This was a long fuck machine session. Ami Emerson spent the good part of an hour getting nailed in all of the positions except for piledriver. JM got their money's worth out of her today. Ami Emerson is 100% TROOPER. Fuck Machine service with a smile!

AMI: "I came. It was great. I didn't think I was going to cum. When I have sex with my boyfriend I like having good, passionate sex but there's something to having a machine just rail you."

A SLUT LIKE MOM

RED LIGHT DISTRICT www.clubredlight.com

DIRECTOR: MAESTRO CLAUDIO

SLUTS AND PUPPETS:

GINA ROME, JESSICA RIGHT,

ERIC JOHN 25520

CLAUDIO: "This movie is directed by the best director in the world. The one and only Claudio, also known as Maestro Claudio because I'M SO GOOD! This time my wife is going to star in the movie. The great Gina Rome! Eric, she'll be sitting there reading the newspaper and you come holding Jessica by the arm like this: 'This is another time I found your daughter playing around in my yard and she's crushing the flowers and she's stealing my fruit! She has to do something for this. She's been a bad girl!' Then Gina, you say, 'Just spank her because she deserves to be spanked!' Eric, you're like, 'But I don't want to spank your daughter!' But she needs to be punished. Then you just pull down her pants and spank her. Then you're like, 'Maybe this isn't the best place to do a spanking, why don't we move to the bedroom.' Then you can punish her even more. Jessica, just give the guy a blowjob because he deserves it. This should really be called, *A Slut Like Mom, But That Slut is My Wife!*"

The area that is being explored here, that of a "mother" sharing her boyfriend with her "daughter" can be fraught with PC uncomfortable-ness if you're the type that's not open to that kind of thing. On the other hand, true strokers and those among us who have actually been lucky enough to tag a mom and daughter separately or, heaven forbid, *at the same time* as portrayed here, are not at all put off by this dangerous set-up. We are not afraid, and because this is fiction of course, we will not have to deal with the extreme volatility that can result from banging two women within the same family at the same time. Just like communism, it all looks really good on paper.

ERIC JOHN:
"I've been hit on by a daughter while I was dating a mother and I didn't cash in, but maybe someday. It might be separated by years but it's possible that it could happen. Today should be very good."

Before the clothes come off the set-up dialogue is awesome...

GINA ROME: "I think that you should give him a blowjob, honey."

JESSICA RIGHT:
"Mommy!"

ERIC: "Really?"
GINA: "Yes, REALLY!"

Eric is also a photographer and director and knows his way around a porno set as well as anyone. But today he's stunt-cocking for someone else. "This is the first time I have hired him," says Claudio. "This is his trial run and if he does a good job I will hire him again for tomorrow."

JESSICA: "I grew up in Texas in a small town called Elkhart. I lived in Houston for like six years too. I've been out here for about two years. I turned 22 in May. I met somebody in the business and we hooked up. Right after we hooked up they told me that they were in the business and popped the question. It's never a good question to pop when there's no ring involved and it's, Hey, do you wanna do porn? I was like, Let me get back to you on that! It was confusing; You just slept with somebody and then they ask you to do porn with everybody. I adjusted.

"It wasn't as bad as I thought it would be. It was a little unnerving at first being in front of the camera. I had fucked in front of people before. I was a really big slut in high school. I slept with half my football team. Bad business. Don't tell that high school. It was in Longview, Texas in the boy's bathroom and it got hot. There was actually ten people in the bathroom and only five people that I touched, but half the team was in there. Just a slut. Not anymore though..."

"You're going to ask me about size now, huh? A lot of people say it's the size that counts, but for me personally, I've ridden on a big boat and it didn't float at all. I'd say that probably about five to six inches is about the best size. If it's smaller I'm probably wasting my time and you are too. If it's any bigger than that though I probably can't even feel it because it's so big. I try to avoid the super-sized ones."

Claudio doesn't flinch as another dude bangs the stuffing out of his wife on camera. This is the way of the Euro-swinger. Sex is sport.

GINA: "In 1994 me and Claudio did a scene together, then we didn't do anything for a year, then we kind of started our full-time sex-life on camera in February of '95. Then I did porn for about six years, 2001 was my last scene, and now I just started again in November. We did a scene together for Red Light. It was a four-way. I was with another guy and Claudio was with Aubrey Addams. He likes to do it once in a while, but not very often. We've been together for twenty years. Even if we love each other very much, I always understood that, especially for a guy but also for women, if you have a little variety it's always a little bit better, you know? People can be committed to each other but you feel the need to maybe have somebody else once in a while. I think it's only good for the couple to be able to do it. I'm a little bit picky but it's fun if you find nice people."

JESSICA: "I worked at Macy's and I worked at Wal-Mart. It was the worst experience of my life. Working at Wal-Mart, they slave us like they slave the Chinese. They pay Chinese children less than five cents a day to make all of this stuff and it's ridiculous the amount of work that you have to do for nothing. No more Wal-Mart. At Macy's I had a problem with my manager, she was like jealous of me or something."

JESSICA: "Mommy, can I sit on his dick?"
GINA: "Of course! I think you should."

JESSICA: "I think the choice was, I've had sex before and sex is sex, so I might as well get paid to do it. I'm a whore and I know I'm a whore. Let's get paid for a good movie, look good on camera and look nice. It builds your confidence too. I don't actually watch my movies but I watch the acting part and it builds my confidence because I look good and I sound good. I don't know where that line came from but I'm good. Back home it's not so hot. My family does know what I do. My mom tells me I'm a grown woman and I can do what I want but to not call her about it. Not much conversation."

JESSICA: "I'm gay-for-pay. But when it comes to looking at vaginas, it looks like a wilted flower. And I don't like the way mine looks and when I look at other people's it makes it worse."

JESSICA: "I've been in the business for a little over a year. I'm not exactly sure where the business is going right now. I don't necessarily need an award to say I'm the best dick sucker in the world. I go to school for Psychology and I play softball for my school. I'm going to use everything I learn to help other people. I have no work ethic, you see, I do porn. Not everybody can do porn. It's not for everybody and some people need work ethic and want to work in corporate situations so I'm hoping to have something for them."

When it's time for the pop Jessica Right doesn't want to swallow but agrees to take a facial. Eric John expertly delivers his load on cue and without mishap. Later on, Claudio enquires as to his availability for tomorrow. AUDITION PASSED!

I follow Gina Rome into the shower room and take some shots. Up to today I have known her only as a very good video editor and the always-clothed wife of Maestro Claudio. It had not crossed my mind that she was also an exhibitionistic, sexual libertine of great capability and splendor. This is special. This is voyeurism. NICE!

JESSICA: "I might like close my eyes if I see it come. Not in my mouth. Keep it on my face. When I see that he's starting to cum, I'll just close my mouth."
